Chapter 1 by Olesia Wisniewska

my gran was a great gran. She was pretty, kind and great at telling stories. She died three years ago but still haunts my dreams. like a ghost

Chapter 2 by Gounaitory

I loved my granny very much. She was not an ordinary person--I could share with her my secrets, she was one of my best adviser. But what can we do people come and go to our lives and nothing we can do with that. I still miss her and I still see her in my dreams almost every night.

She "visits" me in my dreams and tell me what to do and what not to do. Granny always tells me some things. Only very important things,because usually she speaks rarely in my dreams. But that is not scaring me because I really love and miss her

Chapter 3 by Robert Hernandez

I remember when she passed away, but it felt like a dream that she was gone. But what I'm looking at is success in my future. More into my writing and love for others that I been hiding from. But what will come to me from what I have from family ,friends,my writing, and my love for my best girl where I keep in from horror nightmare.
